Dear Fraternal Order of Police Lodge 25 Member,

I am Associate Counsel for the Fraternal Order of Police Lodge 25 and an attorney in private practice. I wish to extend to the members of the lodge and their families (parents, siblings, children) benefits on legal services.

I focus my practice in the areas of Estate Planning and Elder Law and advise my clients in the areas of Wills and Trusts, Probate, Medicaid, Guardianships and Special Needs Planning. I am a member of the New York State Bar Association, as well as a Certified Court Evaluator and lecturer on the topics of Estate Planning and Elder Law.

I would like to extend the following benefits to Lodge members and their families:

- **Free consultations** in the areas of Estate Planning, Elder Law, Estate Administration and Special Needs Planning.
- **Free Durable Power of Attorney** and **Free Health Care Proxy**
- **Discounted Fees** on Wills, Trusts, Home Care and Nursing Home Medicaid Applications, Probate Proceedings and Special Needs Planning.
- Referrals to qualified attorneys in the areas of Real Estate, Personal Injury, Matrimonial, Criminal and Bankruptcy.

Planning is important for people in all stages of life. You may be a new parent and need a Last Will & Testament to appoint a guardian for your minor children. Perhaps you or someone in your family is in retirement and are concerned about protecting assets against the high costs of long term care. Or, if your assets exceed \$5,000,000, you may want to avoid substantial estate tax liability upon your passing.

No matter what your situation, planning is not only important, it is possible and necessary. I have included a brochure for you to review. Please do not hesitate to contact me at 516-605-0625, with questions regarding any of these issues. When calling, kindly mention that you are a member of the Lodge to receive your benefits.

Sincerely,

Andrew M. Lamkin, Esq.
